

The Arundell 3 Day 3 River System Adventure 2023

The 3-day 3 river adventure is a new fishing package that we have to offer at the Arundell for 2023. For three consecutive days you'll be driven to and guided on a different Devon river system each day; travelling through exquisite Devon countryside in an iconic Land rover Defender. Included in the package is a 3-night stay with bed and breakfast, and a picnic lunch each day.

The Arundell is situated close to Dartmoor, which is the source of many a Devon river. One of the fishing days will be spent on Dartmoor if conditions allow. The scenery will change dramatically from high moorland with few trees, tumbling rivers and massive granite boulders to the soft green landscape of rolling Devon hills and shaded wooded valleys with meandering lowland rivers. This is a very special package that offers an authentic fishing adventure.

We'll start the day meeting at The Cockpit (the hotel's fishing HQ), collect a Picnic Lunch from the Deli and head off for the day in our hotel Land rover. This package is suitable for anyone with basic knowledge of fly fishing for trout on rivers.

Included in the package is: 3 nights Bed & Breakfast. Picnic Lunch each day. Transport to and from the rivers
