The first day of this wonderful package, will be spent out on Dartmoor with one of our qualified guides. He will introduce you to some of the history, folklore, flora & fauna of this incredible landscape.

The day includes a champagne field lunch out on the moors, which will be set up and served by the Arundell team.

4 - 5 hours walking over a distance of approx. 6 km. Medium fitness required.

The second day will be at the beautiful Arundell lake. Our experienced fishing guide will introduce you the world of fly fishing with a day spent learning to cast and practicing your skills on the water.

A picnic lunch will be set up beside the lake and hopefully there will be some fresh trout to grill on the open fire.

Groups of up to 8 people.
