

Two-Day Beginners' Course £425 per person

The Arundell's famous two days beginner's course has over the years been the entry point into fly fishing for thousands of anglers making their first cast. They are designed to take you from the very basics of understanding the tackle, learning to cast and understand the techniques required for still water and river fishing. Whether for yourself or as a gift for someone who you think would benefit from the joys of fly fishing, these courses are the perfect introduction into the magic of our sport.
